Always loved this one but I do question the Zappa angle. Dude wrote so much music he'd have little time for much else

The counterculture gave people hope no matter what a few thought. Individuals made changes based on influence. You can't control the reactions of every single person because many people have souls and conscience to think for themselves.

RIP Dave McGowan.

This guy was the real deal.

Brilliant & fearless - we need him now more than ever.
