### The Hammer Falling, I Think (911Review.org DOWN)

by "thewebfairy"  
November 20, 2003

I find it \*most\* ominous that [911review.org](#) is down, and Michael Elliott has not managed to post some form of explanation. I think he presented the greatest threat to them, overall.

Gerard Holmgren is not responding either. This could be perfectly innocent and him busy offline, but combined with what comes next.....I dunno. You and me both can call me paranoid if nothin happens and it's no big deal and all.

There were US Marshalls come to my apartment building today, supposedly looking for my nephew Chris for a 6 AM raid tomorrow. The description they have for him is short and curlyhaired, and that would fit me except I'm not a guy. I'm old and not pretty, so maybe they just think I wear dresses cos I'm a fag. Since we share the same IP number, and my Chicago-Direct posting style makes a lot of people think I must be a guy and not some granny in Chicago...

So I think they've got him targeted as being me.

I'm not supposed to know, cos the US Marshall told the building manager not to tell, but she's my best friend in the building and she comes over every night to pet the cat-that-would-have-been-hers if the cat she's got would have allowed it. So she comes over to visit the cat as she closes up the building for the night, and that's been our nightly confab for a couple years now. And old ladies get to talking, ya know. I'm not really old, just 53, but I don't get around very well, except on my bike, so I feel older. I'm a bona-fide Granny, tho.

So she told me cos she always tells me about whatever excitement happens around the building. Human nature trumps sworn to secrecy. So maybe they'll disappear her too, once they realize the Cat got out of the Bag.

The ones who KNOW there was no plane know I know there was no plane. Gerald Holmgren knew there was no plane, especally since he confirmed flights 11 and 77 never took off in the first place, cos they were unscheduled that day.

If this proves out to be nothing but paranoia, I will happily eat the biggest dish of crow anybody can dish out.
